

# VIVACE RF

The newest generation of radio frequency, microneedling, and LED

FDA approved for your safety. This minimally invasive treatment stimulates the natural production of collagen and is shown to be effective in alleviating facial wrinkles, fine lines, tightening and toning the face, neck, hands and body. The Vivace is the most revolutionary, best in-class Micro-needling RF-Radio Frequency device designed for an incomparable, comfortable patient experience. The Vivace experience provides the most dramatic results with virtually no pain and no downtime. The number of treatments needed depends on the desired outcome. Your skin tone, texture and overall appearance will continue to improve with each treatment. You will see the best results about six months after beginning Vivace as your body produces collagen.

After your first set of sessions, you'll need follow-up appointments to maintain results. The frequency will depend on your body's response, but many patients get annual maintenance treatments. Prolonged results depends on continued sun exposure, smoking etc..

IF YOU ARE LOOKING FOR OPTIMAL RESULTS, LOOK NO MORE. WELCOME TO THE VIVACE EXPERIENCE

## WHAT DOES IT FEEL LIKE?

With a numbed face, the treatment feels like light pressure to the face with an occasional light sparking feeling.

## **DOES IT HURT?**

Our Personalized Compounded Numbing Cream, the best numbing cream available, is applied 30 to 45 minutes prior to the treatment to ensure a comfortable patient experience throughout the treatment. Many testimonials from patients say they found the treatment to be in a range of comfortable to virtually pain-free. The Vivace was designed with patient comfort in mind.

## **HOW DO I DETERMINE THE RIGHT TREATMENT FOR ME?**

It's important to work with a trusted RN who uses FDA-cleared devices to give you confidence in its safety and reliability. Seek a patient experience that has been designed to be the most comfortable experience with the greatest results. Be clear that the device used is only part of the process, the right serums and recovery system will enhance your results.

## **WHAT IS RF?**

Radio frequency provides heat that stimulates collagen production which has been found to lead to tighter, younger-looking skin. Combined with state-of-the-art micro-needling, patients have experienced optimal results.
